SMART PEOPLE is the darkly comic story of Lawrence Wetherhold, a widowed, acerbic and self-absorbed literature professor played by Dennis Quaid, who has alienated his son and turned his daughter into an overachieving, friendless teen. He falls for Janet (Sarah Jessica Parker), one of his former students, while at the same time his ne'er-do-well brother (Academy Award®-nominee Thomas Haden Church) unexpectedly shows up at his door, triggering in him the need to change and reconnect with his family before he can make any steps forward in his life. Ellen Page ("Juno") and Ashton Holmes ("A History of Violence") also star.
